PIGEON PROBLEM

On 17th and 18th November, the courts have been booked out to maintenance until 15:00 so that spikes can be put onto the floodlights to stop the pigeons messing on our courts.

Box Leagues

The men's singles box leagues have been completed with Ben Howells winning Division one with a 100% record and Frazer Harris winning Division two only dropping one set.

Some of us have been playing mixed doubles since the relaxing of the lock down and to make it more interesting we have been playing a mixed doubles league.

If anyone is interested in taking part in the men's, Ladies or mixed box leagues please let Steve Chilcott know by the end of the month.
